

EASTER AT ST JAMES

Easter is a time of sadness followed by great joy. Our Children's Activity Service on Good Friday was a fun busy time making Easter Gardens and drawing round their hands each finger showing something the Children had to thank God for. These hands were then fixed to the Big Cross for all to see and think about.

We followed this by having a Hot Cross Bun.

Our pictures show the Children proudly displaying their work after the event and the hands on the cross.. Well Done All.
